Resultery Projects Cymru

Cyfleuster chwaraeon ym Metws yw Resultery Projects Cymru. Maen nhw’n cynnig lle i’r gymuned wneud amrywiaeth o weithgareddau, o glybiau chwaraeon a dawns i arddio cymunedol.

PROBLEM

Ar ôl cymryd y cyfleuster chwaraeon drosodd yn 2023, prynodd cyfarwyddwyr Resultery Projects Cymru yr eiddo. Roedd mewn cyflwr truenus ac wedi mynd â’i ben iddo, ond roedd ganddo’r potensial i fod yn ganolfan o fwynhad i’r gymuned oherwydd roedd eisoes llawer o bobl ifanc yn defnyddio’r safle i chwarae pêl-droed a mynychu clybiau dawns.

ATEB

Penderfynodd y cyfarwyddwyr gysylltu ag CGGC i gael cyllid i adnewyddu’r eiddo i fod yn ganolbwynt o ysbrydoliaeth i’r gymuned fel ased cymunedol. Cawsant eu cyllido gan CGGC drwy Gronfa Benthyciadau Asedau Cymunedol Llywodraeth Cymru.

REFENIW

Llogi caeau pêl-droed 3G ac adeiladau cymunedol.

EFFAITH

Defnyddio buddsoddiad cymdeithasol i gefnogi'r gwaith adnewyddu'r cyfleusterau wedi golygu bod eiddo oedd gynt yn ddiffaith wedi'i drawsnewid yn ofod llewyrchus i'r gymuned. Mae gweithgareddau fel taekwondo a phêl-droed yn golygu y gall pobl ifanc gymryd rhan mewn chwaraeon, datblygu sgiliau a gwneud ffrindiau, gan feithrin ymdeimlad cryfach o gymuned.

Inclusion Labs

Inclusion Labs work with schools to foster diverse, equitable, and inclusive communities, integrating these values into students' education and personal growth.

CHALLENGE

Inclusion Labs wanted to expand their organisation and enhance their technology platform to provide schools with services and tools that integrate diversity, equity, and inclusion into students' development.

SOLUTION

Using social investment, Inclusion Labs were able to develop their tech platform and hire more staff, enabling them to work with more schools, reaching more young people.

REVENUE

Alternative Revenue – Schools pay certain parts of their services.

IMPACT

Embedding diversity, equity and inclusion into every young person's educational, cultural and personal development is key to Impact Hub's mission. The impact of being able to offer these services on a larger scale has meant that more young people have an understanding and awareness of the importance of equity, diversity and inclusion, contributing to a more inclusive society.
